IN PRAISE OF APPLES

a talk by Charlotte Popescu

Wednesday 27th February

Talk to be held at the
United Reform Church Hall, Hollow Lane PO11 9EY

Refreshments and Raffle Included

FREE to members | 50p non-members

As well as being an experienced gardener Charlotte Popescu is the daughter of Christine Pullein-Thompson, famous author of pony books along with her sisters Diana and Josephine Pullein-Thompson. She has also written books on fruit growing and chicken husbandry and gives regular talks on all these subjects. On this occasion she will be giving a talk with slides covering some of the most interesting varieties of apples, which also includes the social history and folklore surrounding apples, as well as information on pollination, diseases, cooking with apples, storage and the all important nutritional values.

Charlotte will be bringing along some of her books for sale.

SPRING SHOW

Daffodils

Saturday 23rd March
