

HIHS Stand At The Hi-5 Christmas Fayre

Throwing Sprouts into Santa's mouth and planting your own bulb for Christmas were two activities run by the Society at the highly successful Hi-5 Christmas Fayre held on Saturday 15th December at Hayling College.

The Hi-5 is the highly enterprising group representing the five Hayling Schools who have come together with a view to fundraising collectively and installing a community spirit between the five schools.

The Society was invited to participate and run a stall to both raise funds and the profile of the HIHS, particularly with the younger children. This aim was certainly achieved and the stall, which was attended by members, was busy all day. Children enjoyed the opportunity to plant a bulb for Christmas and to personalise it as a gift. Over 120 bulbs were planted and raised over £50 for the Hi-5 funds. All the bulbs and compost were kindly donated by the HIHS Trading Centre.

The children also enjoyed the challenge of trying to throw sprouts into Santa's mouth to win a prize.

The whole event raised over £5,000 towards Hi-5 funds – a fantastic achievement.

A huge thank you to all the members who supported the event on the day.

Liese Holden HIHS Publicity Officer.
